HOW TO LOCATE

## ROCKLEIGH DAHLIA GARDENS

Drive out El Cajon Blvd. to 7500 block, turn South on Parks Ave. Where the road forks, follow the Rockleigh Dahlia Gardens sign.

Your visits are always appreciated regardless of time of year, but for those who may enjoy seeing one of the finest collection of Dahlias in the U. S. during bloom, it is suggested they make it a point to visit us July 15 to October 15.

The Rockleigh Dahlia Gardens have always been interested in having their friends obtain the best results. In order to do so, we have found our "Information Service" of value to many. This assistance might be of help to you, and if so, just give us a complete story regarding your trouble. We will be only too happy to advise you without any charge.

*H. & J. E. Lodge*

During Sept., 1939, I had the pleasure of visiting the Mid-West Dahlia Show at Cleveland, also the American Dahlia Society Show in New York City, and had the honor of assisting as one of the judges at both shows.
